1950 - 2009 Specialty and Performance View All Parts Manual Steering - 505 Style Hot Rod and Custom Steering Box Spline All Around. 1964 - 1976 Pontiac LeMans Manual Steering Model and Fully Splined I...01-25-11 08:30 AM - Post# 2036988 Hello, I just found and brought home a 100% original and untouched 62 Impala SS 4-speed off a ranch in Colorado. I think I have most everything verified on the block, VIN, and data tag, but have a few questions. The 409 was the next stage of evolution of the Chevy "W" engine, which debuted in 1958 with 348 cubic inches. We did its full story here. It's a rather unusual engine, in that it doesn't share anything in common with the famous Chevy small block V8, most of all in its cylinder head design. SleasStak Member Posts 51: 06-18-08 04:16 PM - Post# 1459105 somebody removed the original vin. its rare but if you get stopped by the police and they check. they should impound the vehicle to 'determine true owner' all states have that. police have to compare the vin to the registration on all auto accidents, they dont always do it. a friend had a chevelle redone spend over 60,000 on the car ...
