

# Download A Difficult Par Robert Trent Jones Sr And The Making Of Modern Golf

Robert Trent Jones, Sr. did not invent golf course architecture, it only seems that way. In a career that spanned nearly 70 years, Jones built or rebuilt some 400 courses in 45 states in the U. S. and 35 countries worldwide, with more than three dozen of them having played host to national or international championships. Make the trip out to Arizona and the Phoenix area will attract you like a magnet with its legion of golf courses and resorts, all fighting over your golfing dollar. But if you are overwhelmed by the choices the "Valley of the Sun" has to offer, head south into spacious, affordable Southern Arizona. The small towns here have a certain charm that Phoenix, Tucson and Scottsdale lack, not to ...Sotogrande, Spain, Robert Trent Jones Sr., 1975. Said its architect, Robert Trent Jones Sr., "The greatest golfers in the world have found it a difficult test, yet it is beautiful and playable for ...Adam Scott (Favreau's then-neighbor): I wasn't involved with Swingers at all, I just lived downstairs from Jon and we were kinda friendly because we'd see each other at auditions and in the hallway. The building was a reasonably comfortable shithole in Hollywood right next to the Scientology Celebrity Centre and a pet toy store.
