

Download Base Instincts What Makes Killers Kill

The female YouTube mass shooter is a rare outlier among mass killers and terrorists who are mostly men. Here's why scientists say most mass violence is carried out by men. What does not count, though, is alternate reality behavior. As there is no set standard for behavior in different timelines, it really is not saying that much when you learn that Wolverine is a villain in some What If..? comic book. That's the whole point of alternate timelines, so that you can mess around with famous characters without having to worry about their normal characterizations.
