Here you can download and print out user manuals for Bosch power tools, not only for current tools but also for tools that are no longer available on the market. To find the right user manual, simply enter the part number of your tool (located on the nameplate). I bought my first router a few weeks ago at a "yard sale" type market. I plugged it in, it worked, all seemed fine. It's an old Bosch POF 400 model. The only problem I have is that the depth lock doesn't lock...at all. I've tried the Bosch website for the manual but it doesn't seem to recognise the model number. Odd yea? Does anyone have one of ...
