Unfollow british seagull outboard to stop getting updates on your eBay Feed. I picked up a nice little British Seagull motor today. The 40 Plus model rated at 2.5hp. The price was right and the thing is clean, intact and runs quite well. Put it on my fg 12' sailboat and took it out for a test. Ran great and pushed it along fine at hull speed. I'm guessing that's about 4 knots. The thing is simple as can be. No fancy stuff. British Seagull "The Best Outboard Motor for the World". John Way-Hope has written the very enjoyable, readable and useful, today classical manuals about how to use and maintain your British Seagull. In his very special way

generations of owners with minor technical know-how learned how to best use their engines. ENGINE (DRY WEIGHTS) Find great deals on eBay for british seagull manual. Shop with confidence. No seagull should use less oil than 25:1 regardless of what your manual says. You should use high quality 2 stroke oil for outboard engines (specification TCW3). 2 stroke oil for lawnmowers or motorcycles are not recommended as outboards run cooler than these other engines and require a better quality oil. General maintenance and running advice for your Seagull Outboard Motor. 1 Run the engine in fresh water, ideally after every use in salt. If this is not possible, put a length of 3in (76mm) hose-pipe to the outlet hole and empty a gallon of water through the cylinder block to backflush the system. 2 [...]

By you, A Seagull Owner. Contact me here to discuss it British Seagull "The Best Outboard Motor for the World". John Way-Hope has written the very enjoyable, readable and useful, today classical manuals about how to use and maintain your British Seagull. In his very special way generations of owners with minor technical know-how learned how to best use their engines. I decided that the British Seagull Outboard that I recently brought could do with a service. I brought the oil Castrol EP140 and a Champion D16 Spark plug. First lay the outboard down to be able to remove the oil drain plug. If the manuals did have that difference in mix amounts, it would be interesting to me to find out why. I would love to get a hold of an old Seagull, or any other simple outboard. The Seagull was still sold new up in BC when I lived there in the 70's, the price on a particular one I was interested in was \$200 or \$280 new or thereabouts, if I ...
