The John Deere self propelled Lawn Mower JS36 comes with a 190 cc Briggs and Stratton engine, the work horse of the small engine industry. The engine is equipped with zone start recoil rope starting system which is one of the many safety features on this self propelled lawn mower. Operators must be standing behind the lawn mower with the zone lever depressed in order to start the engine. Accessories Bagger System: The Z235's bagging abilities are exceptional considering it's a lower end entry level mower. The bagging system is designed efficiently with clean operation in mind and easy to empty bags.
