A Comprehensive Guide to the Illuminati, the Conspiracy Theory That Connects Jay-Z and Queen Elizabeth.  
What is the Illuminati? The Illuminati is an ancient and . A companion to the shorter book provided in the Tarot  
Illuminati boxed kit, this guide provides further instruction into the meanings of the cards.A Beginner's Guide  
to the Illuminati. In 1623 members of the Alumbrados arrived in France from Seville and tried to convert new  
followers. Curiously they succeeded when the vicar of the church of St. George in Roye, in northern France,  
Pierre Guerin, penetrated their ranks. The French Illuminati were originally known as Illumines or  
Guerinets,...The Illuminati was a secret society founded in 1776 by Adam Weishaupt (1748–1830), a professor  
of ecclesiastical law at the University of Ingolstadt, in Bavaria. On May 1, inside one of the university's  
buildings and in the utmost secrecy this very controversial organization was born.
