The following list of Solo & Duo Acts are available to be hired for events in the North East region. All acts have been pre-vetted by Warble Entertainment Agency's artist sign up team for professionalism, reliability and quality."Alan Jackson. Wholeheartedly. Alan Jackson. All day. Everyday," is what the former fiddle player for The Band Perry Jason Fitz said when asked who was the person in country music you most want to punch in the face. Jason Fitz now works for ESPN where the segment occurred.
