This WHO global health financing report summarizes the latest internationally comparable data on health spending in all WHO Member States between 2000 and 2015. But it does more than publish the most recent data. For the first time the report uses the new international classification for health expenditures in the revised System of Health Accounts. Monasticism and Monasteries in Ethiopia. If it is true that the Christian Europe of the Middle Ages was shaped by monasticism, more so it can be said of the Ethiopian Christianity. South Africa, officially the Republic of South Africa (RSA), is the southernmost country in Africa. It is bounded to the south by 2,798 kilometres (1,739 mi) of coastline of Southern Africa stretching along the South Atlantic and Indian Oceans; to the north by the neighbouring countries of Namibia, Botswana, and Zimbabwe; and to the east and northeast by Mozambique and Eswatini (Swaziland); and ...
