

Download Import Tariffs As Environmental Policy Instruments

India - Import Tariffs India - Import Tariffs Includes information on average tariff rates and types that U.S. firms should be aware of when exporting to the market. Tariff: Tariff, tax levied upon goods as they cross national boundaries, usually by the government of the importing country. The words tariff, duty, and customs can be used interchangeably. Tariffs may be levied either to raise revenue or to protect domestic industries, but a tariff designed primarily to Enforcement and Compliance . What we do: Enforcement and Compliance (E&C) safeguards and enhances the competitive strength of U.S. industries against unfair trade through the enforcement of U.S. antidumping duty (AD) and countervailing duty (CVD) trade laws and ensures compliance with trade agreements negotiated on behalf of U.S. industries. Under President Obama, Made-in-America exports have hit record-breaking levels for the last 5 consecutive years, and those exports now support an all-time high of 11.7 million well-paying jobs all across our country to the benefit of American farmers, workers, and businesses of all sizes.
