Inside: Find out the the absolute best way to put together a meaningful kindergarten and preschool homework plan. ... I try to keep the daily activities simple, with some ideas the kids can do on their own and some they can try with their parents ...I used the concept of a monthly homework calendar but paired it with a packet for recording the work. I did include some "unstructured" assignments (like counting or singing) but there is one paper/pencil activity for each day. Each day has a specific page in the packet to complete. ... Return to Kelly's Kindergarten ...daily 5 in the differentiated kindergarten classroom First of all, I have to tell all of you, I am NOT a Daily 5 purest or expert. I love the components and philosophy of 'the sisters,' and by tweaking things a bit here and there, I've had really great results with literacy instruction in my classroom.
