Yahoo Lifestyle is your source for style, beauty, and wellness, including health, inspiring stories, and the latest fashion trends. It's a very simple concept, really. But I remember first hearing about it many years ago in graduate school and getting it, but not getting it, and what made it worse was that the instructor, Joy Johnson (where are you, Joy?) made a serious pitch, told us that if we didn't get it, basically, we would be only be so-so at this job. Horizon is a current and long-running BBC popular science and philosophy documentary programme. Series one was broadcast in 1964 and as of August 2018 is in its 54th series. Over 1200 episodes have been broadcast (including specials) with an average of 24 episodes per series during the 54-year run.
