

# Download Legal Visionaries How To Make Their Innovations Work For You

Fusion Superplex first broke ground in 2016 with the goal of building a 100,000 square foot, \$42 million dollar entertainment facility. Founded by Bahamians, invested in by Bahamians and built for Bahamians, Fusion Superplex will offer entertainment options never before seen in our country. CCCSEE 2019 will gather more than 40 speakers world-wide professionals and overall amazing individuals who are currently shaping the global coworking community and who will share their knowledge, passion and experience in the areas of Coworking, Coliving, Remote Work, Digital Nomadism, Social Impact & Responsibility, Women Entrepreneurship, Freelancing, Innovations, Startups communities ...Every inventor is important, no matter their background, demographic, or current life position. At Bold, we believe strongly, that no matter your company size, financial position, or education, inventors everywhere deserve to be heard and afforded the same rights and protections under the Patent law as anyone else. About Micron Insight. Micron Insight brings you stories about how technology transforms information to enrich lives. Learn, imagine, innovate, solve, and gain insight on the technology trends of today and tomorrow from thought leaders around the world.
