Explore our products and services, and discover how you can make learning possible for all students. 7 World Trade Center (7 WTC) refers to two buildings that have existed at the same location within the World Trade Center site in Lower Manhattan, New York City. The current structure is the second building to bear that name and address in the World Trade Center complex. The original structure, part of the original World Trade Center, was completed in 1987 and was destroyed in the September 11 ...
