

# **Download Noun Edu Ng Course Material**

This page is created, so as to help get all NOUN students informed, who would love to freely download the NOUN course materials for study.. We're happy to inform all Students of the National Open University of Nigeria, that the NOUN Course Materials downloads is now free and you can download or see your particular course and download the materials here. We have first written a guide about List of courses offered in Noun to gear you up through the process of Noun Admission. For it is good that you check Noun registrable courses to know the exact list of courses available for registration at your current semester, session and/ or level. The National Open University of Nigeria management, are fully aware of the crisis which is rocking the noun law course. The university management wishes to draw the full attention of all Law students of noun, that the management of the university is well aware of the position of council for the legal education concerning the university's law programme. We have made it clear that, this Noun student portal registration procedure is also used to Renew Registration of NOUN Portal Student Account in your second semester. Your Data will be restored. So, don't be afraid when you see this message while logging into your Nouonline.Net Student Portal, " Please register for the 2019/1 Semester on the portal first!
