Thanks for that Derek and Ralph, I would also add that you are well shot of it Derek. Well there we have it bhoys and ghirls..... a former insiders testimony, which I have no reason to doubt is in any way not 100% accurate given what we have been witness to this season in particular, which describes the true nature of what we are dealing with in Fleming and his cess pit of minions.

Refereeing soccer is a thankless job, where there are few benefits and the only time one is recognized is when they make a bad call. A referee should never be the focus of any game, so a good referee should be almost unnoticeable.

Receptionists Joniel Beaudoin, Office Manager. Joniel graduated from the Medical Office Assistant Program at Douglas College in 2010. She joined the Royal City Health & Manual Therapy team shortly after as the office manager, and has greatly enjoyed working with an amazing group of practitioners and front staff.
