

Download Placement Test Palm Beach State College

Math. MAT1033C Intermediate Algebra or MAT1100 Quantitative Reasoning (MAT1100 is for non-STEM* degree programs only. If your degree program requires MAC1105 College Algebra, take MAT1033C, do not take MAT1100.) Placement Testing & College Policies. A paid test receipt (if applicable) and current government issued photo ID presented at time of testing. The Postsecondary Education Readiness Test (P.E.R.T.) is Florida's customized common placement test. The purpose of the P.E.R.T. is to determine accurate course placement based on the student's skills and abilities. What are the different college math placement tests? There are state-specific tests as well as nationally recognized exams. The following are of some of the more common college placement tests:
