North America. In 1981, United Video Satellite Group launched the first EPG service in North America, a cable channel known simply as The Electronic Program Guide. It allowed cable systems in the United States and Canada to provide on-screen listings to their subscribers 24 hours a day (displaying programming information up to 90 minutes in advance) on a dedicated cable channel. TV Guide is a bi-weekly American magazine that provides television program listings information as well as television-related news, celebrity interviews and gossip, film reviews, crossword puzzles, and, in some issues, horoscopes. The print magazine is owned by NTVB Media, while its digital properties are controlled by the CBS Interactive division of CBS Corporation; the TV Guide name and ...
