Enter your mobile number or email address below and we'll send you a link to download the free Kindle App. Then you can start reading Kindle books on your smartphone, tablet, or computer - no Kindle device required. Hoeman SP, St. Louis, Mo, CV Mosby Co, 1990, 357 pages, softcover. This book is written to improve the daily care and quality of life for persons with chronic or disabling conditions who live in ... A person of any age who suffers serious illness or injury may require rehabilitation and/or restorative care. Rehabilitation services employ therapists to help people regain physical function. Restorative nursing care is ongoing and may be provided in long-term care or skilled nursing facilities (commonly known as nursing homes), often following rehabilitation. Rehabilitative and Restorative Care. Memorial Community Care provides extensive rehabilitation services to patients looking to regain independence and return to normal daily activities. We also provide restorative care services that are designed to slow or halt the advancement of progressive conditions that affect function and independence.
