Rudyard said.... Hi Ron, amazing job. I am trying to get the metal case off (removed 6 screws, the plastic water funnel, the cord clamp) but it's hung up at the top front seam and I don't want to force it, cause I don't know how it's being held there. a aa aaa aaaa aaacn aaah aaai aaas aab aabb aac aacc aace aachen aacom aacs aacsb aad aadvantage aae aaf aafp aag aah aai aaj aal aalborg aalib aaliyah aall aalto aam ...
