

Download Savage 755a Owners Manual

Well I got one a couple years ago and the thing is a nice cheap gun. I have not had much problem with it. It has double shot one time where I pulled the trigger and it shot 2 times very fast too! shooting slugs though it it stove piped on me one time. but outside of that it is ok. it uses beretta benelli choke tubes. and I like using it as a junk gun for duck and goose hunting in the swamp ...
