In activity-based costing method, to identify cost drivers is very necessary for unit cost and total cost. We know that activity-based costing is based on the concept that products consume activities and activities consume resources. From activity pools, we can find cost drivers. This time, I am in my city's local park with two of my cost accounting books to write some cost accounting contents. I wrote very less on cost accounting within last two years in this site. So, I am thinking to cover all important topics of cost accounting in next August.
