

# Download State Of California Program Technician Exam

BECOME A SONOGRAPHER. Ultrasound Technician Education in California. There are 12 schools in California offering CAAHEP accredited sonography programs in 2018. Becoming an ultrasound technician requires earning a certificate through training in hospitals, the Armed Forces or vocational-technical schools. However, a two-year Associate or four-year Bachelor's degree earned at a CAAHEP ...The State of California offers its employees generous benefits that include retirement and savings plans, health and dental insurance, and access to long-term disability and long-term care insurance. Veterinary Technician National Exam. Most state and provincial agencies use the Veterinary Technician National Exam (VTNE®) to evaluate the competency of entry-level veterinary technicians and require a passing score for a veterinary technician to be credentialed. The Examinations Team develops and administers servicewide and LEAP examinations for state departments. The Examinations Team, in conjunction with Test Validation & Construction (TV&C) Program, also provides contracting services to state departments by coordinating, developing and implementing test administration as requested.
