The Empire State Building is a 102-story Art Deco skyscraper in Midtown Manhattan, New York City. Designed by Shreve, Lamb & Harmon and completed in 1931, the building has a roof height of 1,250 feet (380 m) and stands a total of 1,454 feet (443.2 m) tall, including its antenna. Its name is derived from "Empire State", the nickname of New York, which is of unknown origin. Welcome to the world-famous Empire State Building. Located in the center of Midtown Manhattan, our 86th and 102nd floor observatories provide unforgettable 360° views of New York City and beyond. The Empire State Building's open-air 86th Floor Observation Deck wraps around the building's spire, providing one-of-a-kind views of Central Park, The Hudson River and East River, The Brooklyn Bridge, Times Square, The Statue of Liberty, and much more. The Empire State Building is more than a spectacular view. It's an immersive experience inside a world famous landmark. In addition to our Observation Decks, your visit includes the new entrance on 34th street, our two story building model, self-service ticketing kiosks available in nine languages, the restored lobby with its stunning art deco ceiling murals and the historical Dare To Dream ...
