

Download The Foot And Ankle Master Techniques In Orthopaedic Surgery

About. He is a British GMC registered Orthopaedic Consultant surgeon specialising in advanced techniques to treat foot and ankle conditions. Further to his Master degree MCh Liverpool, he's awarded a CCST from London. Dr. Boone has been in practice with OSM since it was founded in 1994. A graduate of Dartmouth College and The University of Pennsylvania Medical School, he is Board Certified in Orthopaedic Surgery with Fellowship training in Total Joint Reconstruction. Dr Andrew Strydom. Dr Strydom is an orthopaedic surgeon specialising in adult foot and ankle surgery and is based at Netcare Sunninghill and Sandton Mediclinic Hospitals. Orthopedic surgery or orthopedics, also spelled orthopaedics, is the branch of surgery concerned with conditions involving the musculoskeletal system. Orthopedic surgeons use both surgical and nonsurgical means to treat musculoskeletal trauma, spine diseases, sports injuries, degenerative diseases, infections, tumors, and congenital disorders
