In the seventeenth century the idea of insuring individuals against accidents seems to have been first contemplated in France. But not until the middle of the nineteenth century was the first English company formed for this purpose. The Law of Accident and Employer's Liability Insurance (Classic Reprint) In the seventeenth century the idea of insuring individuals against accidents seems to have been first contemplated in France. Here are some examples from car accident attorneys in California: Company Parties and Events. A car accident law firm in Newport Beach notes that liability may extend to employers in cases of negligence. An example of such a possibility is the situation of holiday parties or any company event where alcohol is served. [www.newist.org](http://www.newist.org)
