The Geology of the Moon online course is designed for practicing teachers who want to understand more about the Moon and its history and relationship to Earth. Happy Holidays! The end of the first semester is a time for reflection, and lots of rest and relaxation! If the three Rs bring you to its learning, here are two resources to help you start the new year and semester off with a bang. Accuracy and precision are words that are often used interchangeably, but in science they have very specific and different definitions. In this lesson, we will explore the ways in which these ... If you prefer to pay by credit card, you may do so by clicking on the PayPal logo. Note: if you have the HyperPhysics Index open, close the Index before clicking on the PayPal button. A paid receipt will be included with the shipment in case you can get reimbursement from your institution.
