BibMe Free Bibliography & Citation Maker - MLA, APA, Chicago, Harvard Heinemann is a publisher of professional resources and a provider of educational services for teachers and educators from kindergarten through college. At the completion of this section, you should be able to: define instruction and describe the librarian's role in developing instruction. describe how librarians can facilitate learning. The abacus (plural abaci or abacuses), also called a counting frame, is a calculating tool that was in use in Europe, China and Russia, centuries before the adoption of the written Hindu–Arabic numeral system. The exact origin of the abacus is still unknown. Today, abacuses are often constructed as a bamboo frame with beads sliding on wires, but originally they were beans or stones moved in ...
