

Download Zf 9 Speed Manual Speed Sensor

The list below shows standard part numbers that are typically available from one of our franchised distribution partners. Use the product comparison feature to help find the right part for your application and then download the product-specific drawing and CAD file. ZF Meritor offers remanufactured (REMAN) transmissions when you require a complete transmission replacement. REMAN transmissions come equipped in four basic configurations. Automotive supplier ZF is recalling a control sensor found on nine-speed automatic transmissions used in over 500,000 vehicles. Fiat Chrysler, Honda and Land Rover models are affected; the ...ZF-s 9-speed design gave decent acceleration to heavy vehicles while maintaining an extremely compact design. Complex designs tend to come with complex problems. 9-speeds also have their disadvantages. The gears have a wide-ratio spread, roughly 50% more than the average 6-speed or CVT.
